1
There aren't a lot of people around since it's Obon.
This place is also closed.
2
Obon is a holiday...
Obon?
Every year your ancestor's spirits come down to visit.
3
So... There are probably...
A bunch of them around us here.
The spirits.
4
We're good people so it isn't scary!
Since they're all ancestors, they're not scary!
5
Why do you always come to my place this time of year.
Let us stay for just a week!
You seem to have the least to do with Obon, afterall.
